

## LIABILITY RELEASE AND INDEMNIFICATION FORM

Read carefully. Signing this involves waiving legal right you otherwise might have.

I understand and agree that there are certain risks inherent in the activity of rowing and otherwise in connection with activities relating to my affiliation with the Marblehead Rowing Club (the "Club"), (sometimes known as "RocknRow") including but not limited to the risk of injury or death from drowning; colliding with another person, vessel or object; and heart attack, seizure or other medical affliction. I understand and agree that the Club is not in a position to protect me against any such risks, whether inherent in the activity of rowing or otherwise, and I am not relying in the Club to do so. Rather, I voluntarily assume any and all such risks.

According, **I hereby release and agree to defend and indemnify the Club and all its affiliates, officers, directors, trustees, employees or agents from and against any and all liability of any kind arising from any illness, injury, accident, loss or harm of any kind, whether suffered by me or any other person, that may result or arise from or relate in any way in my participation in the Club or use of any Club facilities or equipment. This release includes, but limited to, any claim arising from any negligence on the part of the Club or any person acting on its behalf.**

If any minor child of mine participates in any Club activity or uses any Club facility or equipment, **on behalf of my child I hereby release and agree to defend and indemnify the Club and all its affiliates, officers, directors, trustees, employees or agents from and against any and all liability of any kind arising from any illness, injury, accident, loss or harm of any kind suffered by my child that may result or arise from or relate in any way to my child's participation in the Club or use of any Club facilities or equipment. This release includes, but not limited to, any claims arising from any negligence on the part of the Club or any persons acting on its behalf.**
